Company Profile

We are one of the leading Reprocessed Plastic Granules suppliers and Plastic Waste Recycler based in Aurangabad.

We currently have 6 plants across 3 states in India:

- 4 plants in Chhatrapati Sambhaji Nagar (Aurangabad - Maharashtra)
- 1 plant in Indore (Madhya Pradesh)
- 1 plant in Ahmedabad (Gujarat)

leading to a total production capacity of 12000 MT per year

Mittal PolyGrains LLP believes in providing its customers the edge in terms of quality and cost.

We work with a view to produce an environment friendly plastic raw material which in turn depicts our social responsibility towards environment and society.

REDUCE, REUSE AND RECYCLE is our main motto!

Company Profile

PLANT & MACHINERY

- Fully automatic recycling plants with single & double stage process conveyer system
- The material is processed through high speed machine with bimetallic barrier screw design which allows the material to maintain its polymer property
- All recycled plastic granules are processed fine for performance, keeping in mind the end application and target use

QUALITY WITH R&D

- We have a healthy and dust proof production floor that help us giving customer the desired quality and results
- Quality of raw material is segregated at micro level so that it justifies the quality of Produced Plastic Granules

What We Sell & Buy

WHAT WE SELL

- We are engaged in offering Plastic Raw Material and Reprocessed Plastic Granules
- We recycle below mentioned types of Reprocessed Plastic Granules -
 - BOPP-PP Granules
 - EVA and EVA/PP Granules
 - LLDPE/LDPE Granules
 - PPCP Granules

WHAT WE BUY

- Passionate about recycling and environment safety, Mittal Polygrains is committed to helping commercial businesses and local authorities to meet their obligations to reduce waste.
- Years of experience in recycling of plastic waste enables us to offer our customers the best solutions for their plastic waste and providing full waste management services.
- Whether you are a business or waste management company, Mittal Polygrains offers you full traceability, reliability along with a fully compliant, fast, efficient and cost effective service.

Natural

- Ash/Filler - 0%
- MFI - 3 to 4
- Colour - Natural
- Filter - 120
- Application - Injection Moulding / Thermoforming / Extrusion

Milky

- Ash/Filler - 2%
- MFI - 3 to 4
- Colour - Natural
- Filter - 120
- Application - Injection Moulding / Extrusion

Silver Metalise

- Ash/Filler - 3%
- MFI - 3 to 4
- Colour - Grey
- Filter - 60
- Application - Injection Moulding / Extrusion

Raffia Blue

- Ash/Filler - 5%
- MFI - 3 to 4
- Colour - Natural
- Filter - 80
- Application - Injection Moulding / Extrusion

Our Products

EVA/PP PLASTIC GRANULES

Pure EVA

- VA - 22% to 25%
- MFI - 2
- Colour - Natural
- Filter - 80
- Application - Injection Moulding / Extrusion

EVA Coated BOPP RPG (DL)

- Ash/Filler - 0%
- MFI - 3
- Colour - Natural
- Filter - 120
- Application - Extrusion

EVA Coated BOPP RPG (DL)

- Ash/Filler - 0%
- MFI - 3
- Colour - Natural
- Filter - 120
- Application - Extrusion

Our Products

LD / LLDPE PLASTIC GRANULES

LLDP - Natural

- Ash/Filler - 0%
- MFI - 4
- Colour - Natural
- Filter - 120
- Application - Blow Film / Film Grade

Blue Colour LD

- Ash/Filler - 2%
- MFI - 3
- Colour - Blue
- Filter - 60
- Application - Extrusion Grade / Pipe

Milky LD

- Ash/Filler - 3%
- MFI - 3 to 4
- Colour - White
- Filter - 60
- Application - Extrusion / Blow Film

Our Products

HD / HDPE PLASTIC GRANULES

Natural

- Ash/Filler - 0%
- MFI - 3
- Colour - Natural
- Filter - 120
- Application - Injection Moulding / Extrusion

HDPE Black

- Ash/Filler - 4%
- MFI - 1 to 1.5
- Colour - Black
- Filter - 60
- Application - Extrusion
